QUALIFIED OPERATORS

Our staff, your systems

Appropriately qualified, impartial, experienced stock-takers who have been trained accordingly to Stock Counters methodology

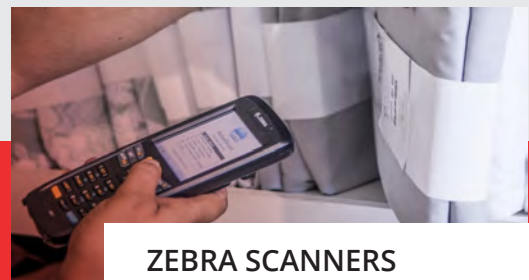

TECHNOLOGY

Our solutions are supported by state-of-the-art software and hardware

RETAILSCAN

We utilise proprietary stock-taking software developed by SHB Systems who specialise in stocktake solutions for the retail market

ZEBRA SCANNERS

As a registered Zebra partner, our state-of-the-art scanners are supplied by Zebra Technologies, a leading global scanning manufacturer

BENEFITS TO USING STOCK COUNTERS

COMMERCIAL

- ⊗ Zero capital outlay
- ⊗ Faster, more efficient stocktakes: - no loss in trade
- ⊗ No overtime charges
- ⊗ Audited and verified by client auditing and finance departments
- ⊗ A standalone solution not requiring permanent internet connectivity
- ⊗ Completely impartial
- ⊗ Staff focus on core competencies

CUSTOMER SATISFACTION

- ⊗ Store closures during working hours not required – work around your trading hours
- ⊗ Same cost irrespective of time of day or day of week
- ⊗ Store is prepped and ready for trade the following day
- ⊗ Customer facing staff are not fatigued

BUSINESS CYCLE

- ⊗ Highlight seasonal shifts – unseasonable items picked up instantaneously and improved forward buying
- ⊗ Manage stock holding – no errors through incorrect capture methods
- ⊗ Tight financial control
- ⊗ Real time asset management and risk mitigation
